

Admission Guidelines

Undergraduate and Graduate Admission Procedures for Academic Year 2026–27

Document Code	ANUST/ADM/GDL-021	Version	9.4
Effective Date	July 01, 2026	Issuing Office	Office of the Registrar

1. Overview

These guidelines describe the admission process for all undergraduate and graduate programs offered at Al-Noor University of Science & Technology (ANUST) for the Fall 2026 and Spring 2027 intakes. Admissions are managed centrally by the Admissions Office under the supervision of the Director of Admissions and are subject to final approval by the respective Faculty Admission Committees.

2. Eligibility Criteria

Program Level	Minimum Academic Requirement	Additional Requirement
Undergraduate (BS)	Intermediate/A-Level with minimum 60% marks (50% for Social Sciences)	ANUST Entrance Test or accepted equivalent (SAT/NTS-NAT)
Graduate (MS)	16-year BS degree with minimum CGPA 2.50/4.00	GAT-General (50th percentile) or ANUST Graduate Test
Doctoral (PhD)	18-year MS/MPhil degree with minimum CGPA 3.00/4.00	GAT-Subject (60th percentile) + research proposal + interview

2.1 Program-Specific Prerequisites

- BS Engineering programs: Pre-Engineering or A-Level with Physics, Chemistry, and Mathematics.
- BS Computer Science / Software Engineering: Pre-Engineering, Computer Science, or ICS background; Mathematics is mandatory at the intermediate level.
- BS Pharm-D: Pre-Medical or A-Level with Biology, Chemistry, and Physics; minimum 65% marks.
- BBA / Accounting & Finance: Any discipline at intermediate level; Mathematics recommended but not mandatory.

3. Admission Timeline

Activity	Fall 2026 Intake	Spring 2027 Intake
Application Portal Opens	March 15, 2026	October 01, 2026
Application Deadline	June 20, 2026	December 10, 2026
Entry Test	June 29, 2026	December 18, 2026
Merit List (1st) Announcement	July 10, 2026	January 05, 2027
Fee Deposit Deadline (1st Merit List)	July 20, 2026	January 15, 2027
Orientation Week	August 25–29, 2026	January 26–30, 2027
Classes Begin	September 01, 2026	February 02, 2027

4. Application Procedure

- Step 1: Register on the Online Admission Portal (admissions.anust.edu.pk) using a valid CNIC/B-Form number and active email address.
- Step 2: Complete the application form, selecting up to three programs in order of preference.
- Step 3: Upload scanned copies of academic transcripts, CNIC/B-Form, two passport-size photographs, and (where applicable) domicile certificate.
- Step 4: Pay the non-refundable application processing fee of PKR 3,000 via bank challan or online payment.
- Step 5: Print and retain the Entry Test Roll Number Slip once the application is verified.
- Step 6: Appear in the ANUST Entry Test at the assigned test center on the scheduled date.

5. Entry Test Structure

The ANUST Entry Test (undergraduate) is a 100-minute, 100-question, computer-based test covering the subjects relevant to the chosen program.

Program Group	Subjects Tested	Weightage
Engineering/Computing	Mathematics 40%, Physics 30%, English 15%, Analytical Reasoning 15%	100 questions
Business/Social Sciences	English 30%, General Knowledge 25%, Analytical Reasoning 25%, Basic Maths 20%	100 questions
Pharm-D	Biology 35%, Chemistry 35%, Physics 15%, English 15%	100 questions

6. Merit Formula

The aggregate merit score for undergraduate admission is computed as follows:

Component	Weightage
Matriculation / O-Level Result	10%
Intermediate / A-Level Result	40%
ANUST Entry Test Score	50%

7. Admission Categories

Category	Description	Seat Allocation
Open Merit	Ranked purely by aggregate merit score	70% of total seats
Self-Finance	Meets minimum eligibility; pays a one-time capital development surcharge	15% of total seats
Overseas Pakistani / Foreign	Pakistani nationals residing abroad or foreign nationals; fee in USD	10% of total seats
Special Persons / Disability Quota	Reserved for candidates with documented disabilities meeting minimum eligibility	8% of total seats
Sports & Co-Curricular Quota	National/provincial-level achievers; subject to trial and interview	2% of total seats

8. Required Documents at the Time of Admission

- Original and photocopy of Matriculation/O-Level and Intermediate/A-Level certificates and transcripts (or equivalence certificate from IBCC for foreign qualifications).
- Original CNIC/B-Form and photocopy of both parents'/guardian's CNIC.
- Six passport-size photographs with a white background.
- Domicile certificate (for quota-based admission categories).
- Migration certificate, if transferring from another recognized university (graduate programs).
- Medical fitness certificate from a registered medical practitioner.

9. Provisional Admission and Equivalence

Candidates awaiting final results of their qualifying examination may be granted Provisional Admission, subject to submission of the final result and IBCC equivalence certificate (where applicable) within 60 days of the start of classes. Failure to submit these documents within the stipulated period results in automatic cancellation of admission without refund of fees already paid.

10. Migration and Transfer Admissions

Students seeking transfer from another HEC-recognized university may apply for migration, subject to seat availability, a minimum CGPA of 2.50, and approval of course equivalence by the relevant Department Chairperson. A maximum of 50% of the total credit hours required for the degree may be transferred.

11. Withdrawal of Admission Offer

ANUST reserves the right to withdraw an admission offer at any stage if it is discovered that a candidate submitted forged documents, misrepresented eligibility, or impersonated another candidate in the Entry Test. Such cases are additionally referred to the Discipline Committee and may result in a lifetime ban from future admission to the University.

12. Deferment of Admission

A candidate who has been offered admission but is unable to join in the offered semester due to a documented medical condition, visa processing for a scholarship, or other genuine hardship may apply for a one-semester deferment through the Admissions Office within 10 working days of the fee deadline. Deferment beyond one semester is not permitted; the candidate must reapply through the regular admission cycle thereafter.

13. Waiting List and Subsequent Merit Lists

Where seats remain vacant after the fee deposit deadline for the first merit list, the Admissions Office issues a second and, if necessary, a third merit list, drawing from the waiting list in strict order of aggregate merit score. No new applications are accepted once the first merit list has been announced; only candidates already in the applicant pool for that intake are considered for subsequent lists.

14. Orientation Week

Attendance at Orientation Week is mandatory for all newly admitted students. The week includes sessions on academic advising, course registration, campus facility tours, library orientation, IT account activation, and an introduction to student societies. Students who miss Orientation Week without prior approval from the Directorate of Student Affairs must complete a make-up orientation module before being permitted to register for courses.

For admission-related queries, contact the Admissions Office at admissions@anust.edu.pk or the helpline 051-111-268-786, Ext. 300.
