1. Purpose and Scope

This policy governs all scholarships, fee waivers, and financial assistance programs administered by the Office of Financial Aid (OFA) at Al-Noor University of Science & Technology (ANUST). It applies to all undergraduate and graduate students enrolled in regular, on-campus degree programs. Evening and executive programs are not eligible for university-funded scholarships unless otherwise specified.

2. Categories of Financial Aid

ANUST offers five broad categories of financial assistance, summarized below. A student may hold only one primary scholarship at a time; combining multiple full-tuition awards is not permitted.

Need-Based Financial Aid	Verified household income	25% – 100% of tuition
Merit Scholarship	CGPA and entry test score	25% – 100% of tuition
Sports Scholarship	National/provincial-level achievement	50% – 100% of tuition
Sibling Discount	Two or more siblings enrolled concurrently	10% of tuition (2nd sibling onward)
External/Sponsored Scholarship	Donor or government criteria (e.g., HEC, PSF)	Varies by sponsor

3. Need-Based Financial Aid

Need-based aid is awarded through the Al-Noor Endowment Fund and is intended for students who demonstrate genuine financial hardship. Applicants must submit the Financial Aid Application Form along with supporting documentation within 15 days of the start of each semester.

3.1 Required Documents

- Latest salary slip or income certificate of parent/guardian.

- Utility bills (electricity and gas) for the last three months.
- Affidavit of household income on judicial stamp paper.
- Bank statement for the last six months (all accounts held by parent/guardian).
- Proof of any other financial assistance currently received.

3.2 Income Slabs and Award Percentage

100,001 – 150,000	25%
Above 150,000	Not eligible (may apply for merit-based aid)

4. Merit Scholarships

Merit scholarships reward outstanding academic performance and are reviewed at the end of every semester by the Scholarship Committee, chaired by the Dean of the relevant faculty.

4.1 Entry-Level Merit Awards (First Semester)

Aggregate Score (Entry Test + Academic Record)	Scholarship Award
90% and above	100% tuition waiver
85% – 89.99%	50% tuition waiver
80% – 84.99%	25% tuition waiver
75% – 79.99%	10% tuition waiver

4.2 Continuing Merit Awards (Semester 2 Onward)

From the second semester onward, merit scholarships are based on the previous semester's CGPA, subject to the student carrying a full course load (minimum 15 credit hours for undergraduates, 9 credit hours for graduate students).

Semester CGPA	Scholarship Award for Following Semester
3.80 – 4.00	100% tuition waiver
3.60 – 3.79	75% tuition waiver
3.40 – 3.59	50% tuition waiver
3.20 – 3.39	25% tuition waiver
Below 3.20	Not eligible for merit renewal

4.3 Renewal and Forfeiture

A merit scholarship is automatically reviewed each semester and is forfeited immediately if a student: (a) is found guilty of academic dishonesty, (b) receives an 'F' grade in any course, (c) fails to maintain the minimum required course load without Dean's approval, or (d) is placed on disciplinary probation.

5. Sports and Co-Curricular Scholarships

Students who have represented Pakistan or a province/region in recognized sports competitions may apply for a Sports Scholarship through the Directorate of Sports. Awards require the student to represent ANUST in at least two inter-university tournaments per academic year and to maintain a minimum CGPA of 2.50.

6. External and Sponsored Scholarships

ANUST facilitates applications for several externally funded scholarship programs. The University does not guarantee award outcomes for these programs, as final selection rests with the sponsoring body.

Program	Sponsor	Typical Coverage
Punjab Educational Endowment Fund (PEEF)	Government of Punjab	Full tuition + stipend
HEC Need-Based Scholarship	Higher Education Commission	Full tuition
Ehsaas Undergraduate Scholarship	Government of Pakistan	Full tuition + living allowance
Al-Noor Alumni Trust Grant	ANUST Alumni Association	Up to 50% tuition

7. Application Procedure

All scholarship applications must be submitted through the Student Financial Aid Portal (SFAP). Paper applications are only accepted in the event of documented portal downtime.

- Step 1: Complete the online Financial Aid / Merit Scholarship Application Form.
- Step 2: Upload all supporting documents in PDF format (max 5 MB per file).
- Step 3: Application is screened by OFA for completeness within 5 working days.
- Step 4: Shortlisted applicants may be called for an in-person interview or income verification visit.
- Step 5: Scholarship Committee announces decisions before the fee due date of that semester.

8. Appeals

A student whose scholarship application is rejected or reduced may file a written appeal with the Chairperson of the Scholarship Committee within 10 working days of the decision being communicated. The Committee's decision on appeal is final and cannot be further contested within the University.

9. False Information

Any student found to have submitted falsified income documents, forged certificates, or misleading information in a scholarship application will have the award revoked with immediate effect, will be required to repay the full waived amount, and will be referred to the Discipline Committee, which may recommend expulsion.

10. Disbursement and Adjustment

Approved scholarships are applied as a direct waiver against the tuition portion of the semester invoice generated in the student's account on the Fee Management System (FMS). Scholarships do not cover the following charges, which remain payable in full by the student:

- Admission processing fee (one-time, charged at first enrollment).
- Laboratory, library, and student activity fees.
- Hostel and transport charges.

- Examination re-take and improvement fees.
- Fines for late fee submission, library overdue, or disciplinary penalties.

If a scholarship decision is issued after a student has already paid full tuition for the semester, the excess amount is adjusted against the following semester's invoice within 15 working days; cash refunds for scholarship adjustments are not issued.

11. Scholarship Committee Composition

The Scholarship Committee is a standing body responsible for reviewing applications, verifying documentation in doubtful cases, and adjudicating appeals. Its composition is as follows:

Role	Member
Chairperson	Dean of the relevant Faculty
